Social history. Social history, sometimes described as the 'history of the people', or 'history from below', emerged as an alternative to conventional political history, both in terms of its objects of interest and its belief in deeprooted economic and social factors as agents of historical change.

Social history - Themes - Making History
Social history, often called the new social history, is a field of history that looks at the lived experience of the past. In its "golden age" it was a major growth field in the 1960s and 1970s among scholars, and still is well represented in history departments in Britain, Canada, France, Germany, and the United States.
